Dr. Joshua Lederberg
Department of Genetics
Stanford University
Stanford, California

Dear Doctor Lederberg:

The members of the Boards of The Jane Coffin Childs Memorial Fund for Medical Research are most desirous of keeping up-to-date our knowledge of the accomplishments of former Fellows of the Fund. You may be aware of this as you may have sent us reports in the past.

The Fund would greatly appreciate a brief report at this time on any activities that you might think to be of interest. To assist you, we are enclosing an outline that can be filled out. If you prefer, a brief paragraph would be most acceptable.

With all good wishes,

Sincerely yours,

L. Edgar Lee, Jr.
